

Esports Camp Computer Requirements

For this camp you will need a personal computer capable of running the games we will be playing. Minimum computer requirements are listed below. You will also need a mouse, webcam, and a headset to attend the Discord live meetings with your instructors.

Windows System Requirements

Operating System: Windows® 7 / Windows® 8 / Windows® 10

- CPU: Intel Core i3 or AMD Phenom X3 8650
- RAM: 4GB RAM
- HDD: 30GB Free Space
- GPU: NVIDIA GeForce GTX 460 / ATI Radeon HD 4850 / Intel HD Graphics 4400
- OS: Windows 7, 8, or Windows 10 64-bit
- Screen Resolution: 1024 x 768 minimum

Unfortunately, Macintosh is not supported for Overwatch.

Download and install the following before the start of camp.

Discord
League of Legends
Overwatch
Fortnite
